Chapter 44

There Are Things You  
Must Also Not Realize

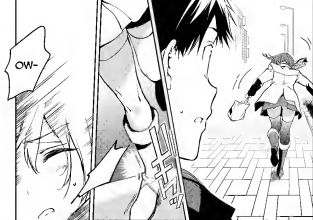

Master  
!?

With  
that  
said.

Well  
then.

...  
Um-

That her  
chest is  
seriously  
rubbing up  
against me!

I'll be fine once I take a rest there.

There's a park over there.

Hm

Pigggy.

Put me down after all.

I'm gonna get killed!!

Did she find out?

I THINK MY PANTIES CAN BE SEEN UNDER MY SKIRT.

What?  
What are you saying all of a sudden?

You don't have to worry about me-

For her to  
be acting like  
this after  
we got back  
together  
after such a  
long time...

She's really  
dedicated,  
huh...?

URG-

Did  
you push  
away Aki-  
sama?

...The  
birthday  
date.

a bit earlier than expected!

I just had to end things

Don't say things that could scar my reputation!

The one thing I didn't want to be asked the most at a time like this!

So she's attacking me then!

Aki-sama's extremely sad.

Stop beating around the bush.

Isn't it more gentlemanly to not be greedy.

which makes a girl's good impression of them improve with a "Wah you're so dreamy!"

Say.

Ohh God...!

Why won't you face her?

Why?

hiding it, though.

So she is then?

She's relatively

...She's sad?

**About  
that!**

**I know!**

**My body  
refuses to  
listen to  
what I tell  
it to do!**

**Even  
I find it  
weird!  
But...**

Being pathetic to this degree...

The next time she goes through something like that, I'll crush you.

Can you promise me?

.....

Sorry about this.

I wonder  
why things  
ended up  
like this?

...I'm  
glad

I  
didn't  
go with  
her.

So  
I'm fine  
with  
Master  
...

Ah...

My  
hives  
and my  
stomach  
aches...

...  
So it's  
true...

Sigh.....

when I was  
forming  
plans with  
Master.

I think  
I had the  
most  
fun

...  
Master.

Do  
your  
best.

And then  
do this  
after.

I guess  
there's  
no choice  
then.

Start by  
talking  
from the  
beginning.

On Aki-  
sama.

You  
want  
revenge,  
don't  
you?

the  
secret  
meaning  
behind  
those  
words.

I've  
never  
known

Never,  
ever

huh...?

"I'll pretend I didn't hear",

It's  
something  
I shouldn't  
have said.

and to  
Master.

To  
Adagaki-  
san,

I can't  
take it  
back  
anymore

...

Even if  
I regret  
it,

Am  
I an  
idiot  
...?

What  
are you  
saying?

Anyone  
would  
do this  
much.

Aki-  
sama,

thank  
you  
very  
much  
...

Are you sure?

the  
Traitorous  
Sorceress.

After  
all, I'm

What  
happ-  
ened  
today

...

No.
